

# Stonefield Edge

## Details

A new Garden City development of 105 affordable homes.Â 10 x two-bed bungalows remaining.

The Black Country Garden City initiative embraces and enhances the Black Countryâs existing assets, and creates developments that are distinctive and unique. Garden Cities encourage a greener and healthier way of living, creating well-connected, easily accessible places of high-quality, where people want to live- giving our residents a better quality of life!

For more information, click here to visit the [Black Country Garden City](#) website.

## Planned completion

Early spring 2021

## How to apply

In order to be considered for one of these properties, you will need to register with Wolverhampton City Council now, in order to place a bid on their website [Homes in the City](#). You will need to register for housing by filling in an online housing application form. This will be checked and a priority banding will be provided along with your registration date and application number. You will also be told the property types that you are eligible to bid on based on your family size and needs.
